## A LEGACY OF LEADERSHIP

---

Since 1970, Vernis & Bowling has been committed to exceptional legal service. Founded by Frank C. Vernis, Jr. and James W. Bowling, the firm is now led by their sons, G. Jeffrey Vernis and Robert C. Bowling. Under their leadership, our firm blends legacy values with forward-thinking strategies to meet today's legal challenges.

## OUR APPROACH TO LITIGATION

---

At Vernis & Bowling, we understand that not every case will go to trial - but every case must be trial-ready. We collaborate with our clients to define a litigation philosophy aligned with their goals, employing innovative strategies that reduce both indemnity exposure and legal spend. Our success is measured by our clients' outcomes.

# RESULTS THAT MATTER

In the past two years, our trial verdicts averaged just 3.33% of plaintiffs' initial demands - a testament to our ability to defend claims effectively and control litigation outcomes. With 55 years of service to the insurance industry, many of our attorneys bring prior experience as claims managers and in-house counsel which contribute to our exceptional results.

# OUR FIRM CULTURE

Our firm is defined by its personal service, legal precision, and collaborative ethos. We know that our people make the difference, and we prioritize training, development, and connection across all offices.

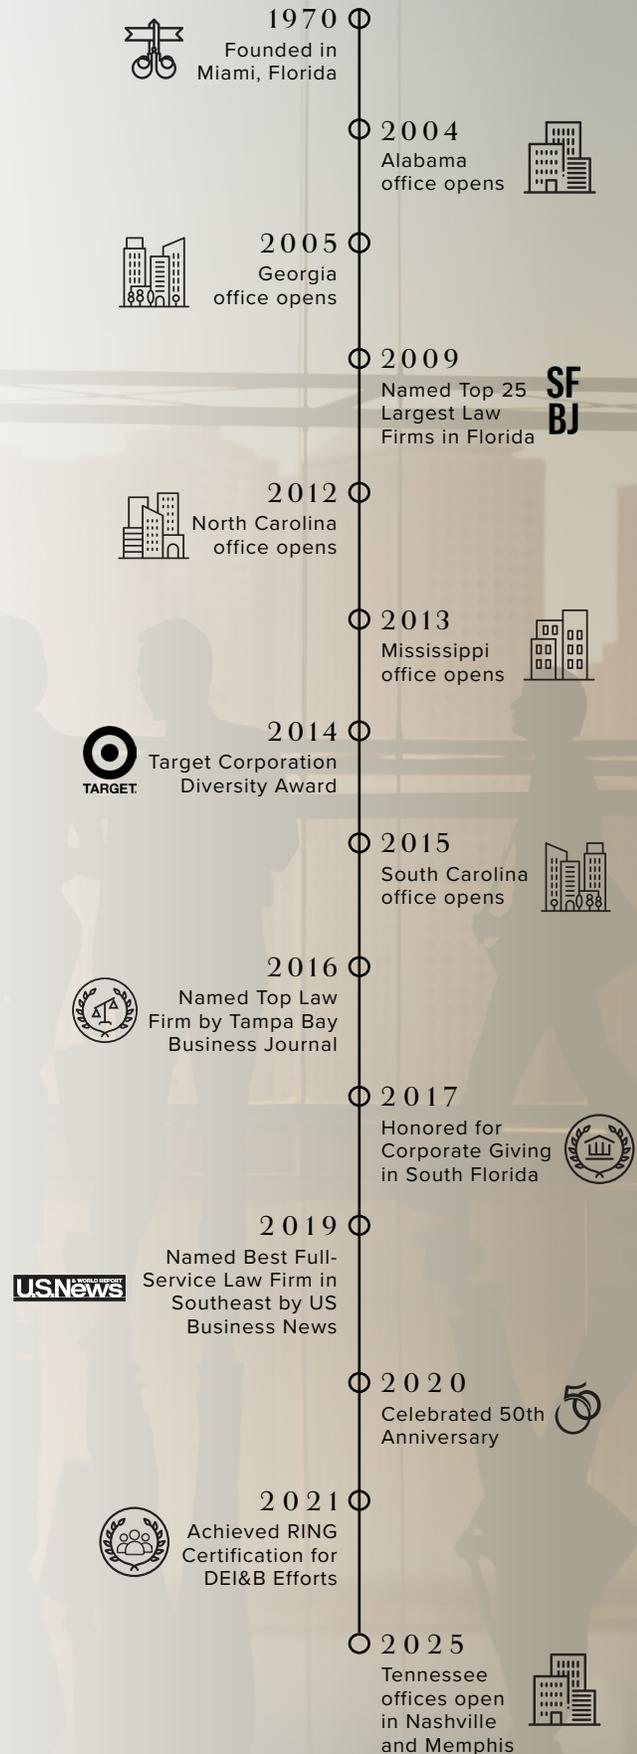

# DIVERSITY, EQUITY, INCLUSION & BELONGING

At Vernis & Bowling, we believe a diverse team delivers stronger results. Our offices reflect the communities we serve, and we are committed to building inclusive environments that value every perspective. Our focus on equity and belonging is woven into every part of our operations - from recruitment and leadership development to client service.

We are proud to have been recognized for our DEI&B efforts by achieving Gold RING Certification (Recognizing Inclusion for the Next Generation).
